History

History of Scenic Hills Elementary School

Scenic Hills School was scheduled to open for the beginning of the 1958-59, school year as a county school. It was not ready as planned; however, the teachers and students occupied a portion of Coleman Elementary School until January 1959, when the school building was completed.

Mrs. Martha Branch was the first principal. She came to Scenic Hills School from West Frayser School.

Scenic Hills School opened with grades one through six. Enrollment increased so fast that an annex building was built for the 1960- 61 school year and the seventh and eight grades were added. Kindergarten was added at a later date in 1969.

Scenic Hills was the first school in Shelby County to be integrated. Thirteen Black students came to Scenic Hills from Spring Hill School.

Mrs. Branch retired in 1968 and Mrs. Constance Johnson became the new principal. Mrs. Johnson was principal until the spring of 1973, when she chose to remain with the Shelby County School system since Scenic Hills was made a Memphis City School at that time. In the fall of 1973, Mr. Wayne Bingham became the principal of Scenic Hills and remained well into the 1980's.

Scenic Hills has enjoyed a reputation of being a fine school for over half a century. It has maintained an excellent faculty and staff and has been fortunate to have a strong and active P.T.O.

GRADING STANDARD

Shelby County Schools uses the following grading standard for measuring academic progress and conduct for students in 1st - 5th grade:

- | | |
|-------------------------|-----------------------|
| 90 - 100 A Excellent | E - Excellent |
| 80 - 89 B Good | S - Satisfactory |
| 70 - 79 C Average | N - Needs Improvement |
| 60 - 69 D Below Average | U - Unsatisfactory |
| Below 60 F Failure | |

The following grading standard will be used for grades PK – KK.

Exceed Standards (ES) – Consistently grasps, applies and extends key concepts, processes and skills. Works beyond stated goals.

Meets Standards (MS) – Grasps and applies key concepts, processes and skills. Meets stated goals.

Not Meeting Standards (NMS) – Not grasping key concepts, processes and skills. Making less than expected progress.

Grades should not be punitive, but rather reflect what the student knows and is able to do. Teachers should set high expectations for all students and hold students accountable for their work. District policy allows students to make up all work even for unexcused absences and suspensions. Upon returning from an absence, make up work should be sent home with a due date in proportion to the # of days missed and amount of work to be completed. Teachers should utilize the electronic grade book and parent communication available through the PowerSchool SMS system.

The following criteria will be used for grading:

- 10% Homework
- 20% Class Participation
- 20% Classwork/Daily work (refers to a formative demonstration of the student’s ability and includes projects, reports, presentations and daily exit tickets)
- 50% Assessments (refers to a student’s culminating, independent demonstration of mastery of one or more competencies)

Assessments can include:

- Test scores/ Common Assessments
- Quizzes
- Portfolios of student work
- Interdisciplinary Projects
- Performances
- Exhibitions
- Demonstrations
- Online assessments
- Subject or grade specific assessments and other alternative assessment tools as determined by the state or school district

Exceptional Ed Students - Work and grades for Special Education students should reflect the student’s IEP. Homeroom teachers are legally required to modify assignments and make accommodations according to the child’s IEP. Report cards for these students should indicate grades have been modified on the report card. (Refer to Board Policy 5002)

Grades of E, S, N, and U should be issued for all special subjects listed on the report card. Where special skill teachers are staffed, grades will be issued by the special skills teachers (art, music, computer, PE). Health grades should be issued by the homeroom teacher based on classroom integration, performance and participation (following the SCS health curriculum along with the PE teacher).

In addition to the Reports to Families, Common Assessment progress reports will be disseminated to all students in grades 1-5. This progress report will communicate specific progress on common and formative

assessment. The common assessment progress report also with other test data (Discovery, DCAP, etc.) will be distributed with Reports to Families every nine weeks.

The Bruce PBIS plan guidelines must be followed when assigning conduct grades. Use caution when assigning N's and U's (must have documentation of ongoing parent contact and conferences).

HOMEWORK

Homework fosters student achievement, independence, and responsibility and serves as a vital link between school and home. Therefore, it is the policy of Shelby County Schools that meaningful and quality homework is required at all grade levels in all schools. Board policy requires homework to count as 10% of a student's grade (should be given every day except for Fridays). Homework should be an extension of the school day providing extra practice. Homework should reflect classroom instruction. Do not send new material home for homework that has not been introduced in the classroom. Research shows that the amount of homework given should be about 10 minutes times the child's grade. Example: A fourth grade student should have approximately (4th X 10 min.) 40 minutes of homework. Independent reading should be in addition to written homework. Grade level teams should coordinate to ensure that the total time guidelines are within compliance.

HONORS and RECOGNITIONS

The following standard will be used in determining Honor Roll status (Refer to Board Policy). Homeroom teachers should complete and turn in an "*Honors Report*" form each grading period (see Appendix).

Principal's List

Academic Subjects - All A's

Special Subjects - E (Excellent) S (Satisfactory)

Social & Academic Behavior (conduct & work habits) - E (Excellent) or S (Satisfactory)

Honor Roll

Academic Subjects – A's and B's (no grade lower than B)

Special Subjects - E (Excellent) or S (Satisfactory)

Social & Academic Behavior (conduct & work habits) - E (Excellent) or S (Satisfactory)

Citizenship Honors

All E's in conduct and work habits

Perfect Attendance

No absences, tardies, or early dismissals

Only those accomplishments decided on by the Honor's committee and approved by the principal will be recognized in school wide programs. Other individual accomplishments may be recognized in the classroom at the discretion of the teacher. Accuracy in completing the Honors form each grading period is extremely important. These forms are used to order ribbons, trophies, and for Honor luncheon invitations. Principal's Honor luncheon at the end of the year is only for students who made the principal's list every grading period.

Student Policies and Procedures

GUIDANCE PROGRAM

The main goal of School Counselor is to develop and implement a comprehensive, developmental program to facilitate the academic, career, and personal/social development of all students through a variety of processes including individual and group counseling, large group/classroom guidance, consultation and collaboration, and coordination of activities and services. Our counselor is dedicated to helping students progress in their academic, personal/social, and career development. The counselor works with students in individual counseling, small group counseling, and classroom guidance. The counselor is also part of a much larger team helping to serve our students. These include the following: parents, teachers, administrators, social worker, psychologist, nurse, speech and vision therapist, special education coordinator, resource officer, and others. Students must be referred for the reasons listed on the counselor referral form.

AFTERSCHOOL DETENTION

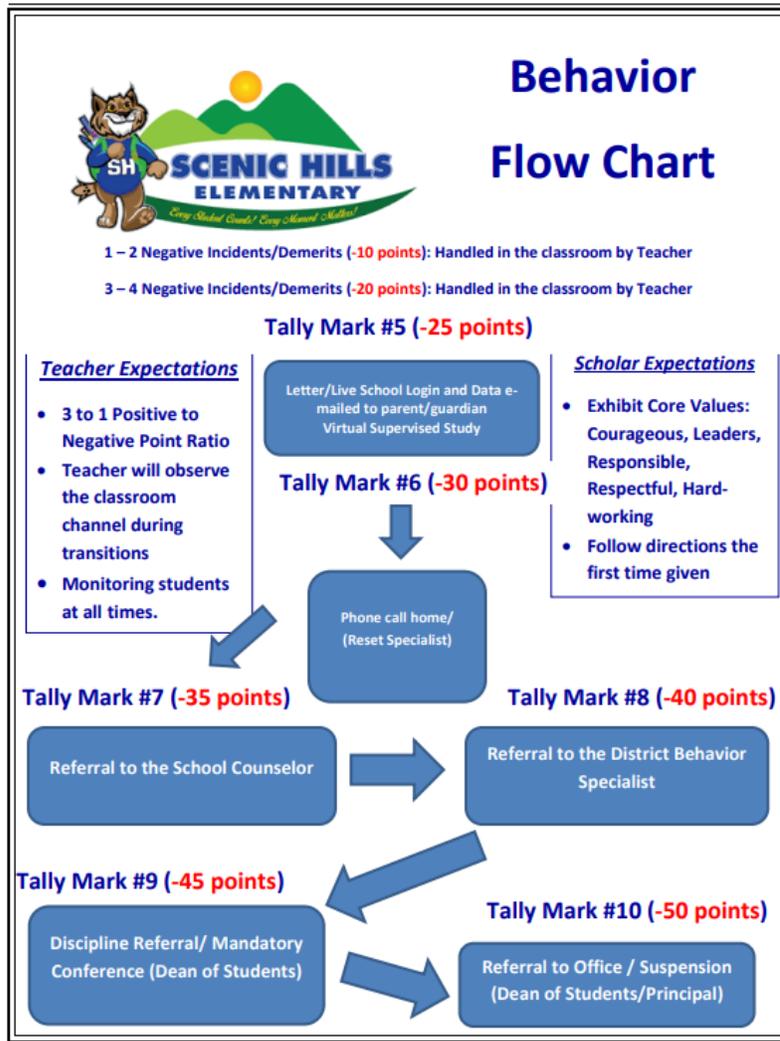

Every first and third Thursday, Scenic Hills will facilitate an after school detention from 3:30 to 4:30 in the library. Students who are referred for detention (8 Tally Marks) will go home with a letter on the Wednesday prior to detention. Failure to attend detention will result in additional consequences. The Reset Room coordinator/ Administrator will supervise detention weekly. Staff will complete the google form to refer a student for detention.

STUDENT ATTENDANCE

Students should be present in school each day. Students should miss no more than 10% of the school year. Chronic absences and excessive tardiness could lead to a student being retained. Students who are absent (excused or unexcused) are allowed to make up missed classwork.

STUDENT DISCIPLINE

Classroom Discipline is the teacher's responsibility. Each teacher (homeroom and support) should develop his or her own classroom management plan (that is aligned to the Scenic Hill RTI2-B plan) to assist with student behavior. Scenic Hills will have a school-wide discipline plan (Tally System) for the 2025-26 school year. We are moving to a school-wide app, LiveSchool this school year. The red point totals indicate the infraction totals equivalent to each physical conduct tally mark. The LiveSchool App can be downloaded from Google or the Apple Store. Download it today for real-time behavior data for your child.

This school-wide Discipline plan will ensure consistency among the school staff. Phone calls to parents should be a major step in the classroom management plan. Parents should be notified of disruptive or inappropriate behavior on a regular basis. Every teacher should have a designated “buddy teacher” to send students to time out when needed. **NEVER send a child to the hallway alone for “time out or to take tests.”** Teachers should use strategies in the Behavior Intervention manual before referring students to the office. In addition, parents should be notified prior to making an office referral. Exceptions to this are incidents involving weapons, drugs (over the counter, prescriptions, or illegal), serious threats, physical fighting or other level 4 & 5 offenses.

STUDENT CODE OF CONDUCT (Offenses and Penalties by Category)

The infractions of school discipline in the Shelby County Schools listed below are grouped into categories according to the seriousness of the offense. This list is not intended to be exclusive or all inclusive. For infractions not specifically listed below, school principals shall assign discipline in accordance with the category that appears to be comparable to the offenses specifically listed in the category. (For assistance determining the appropriate category for an offense, schools should contact the district office responsible for student discipline.)

Category A – State Zero Tolerance Offenses
