GETTING STARTED THE RIGHT WAY

We are so excited for the first day of school! As we see all our students in person, we will be reminded how fortunate we are to have this moment after this past year. The Shady Grove teachers have a “Champion” mentality as that is our theme this year. Every student will be a Champion because of their hard work. We are the Shady Grove Eagles soaring towards goals of excellence. We will strive for VICTORY as we embark on this journey in a unique situation. I am excited for the opportunity to lead this school by believing, achieving, and reimagining. Together, we are going to do great things through teaching and learning.

“Education is the key to unlock the world...”
