Purpose

WATCH D.O.G.S.® (Dads Of Great Students) is a family and community engagement educational initiative.

There are 2 primary goals of the WATCH D.O.G.S. program:

1. To provide positive male role models for the students, demonstrating by their presence that education is important.
2. To provide extra sets of eyes and ears to enhance school security and reduce bullying.

We believe that all of us want the same things for our kids and these values unite us. This program serves to bring communities closer together based on these values-based goals. Ultimately, our purpose is to change the country for the better by doing our small part to provide support to our educators and encouragement to our children.

All volunteers are required to meet the expectations established by MSCS. This includes a background check.
