STUDENT EXPECTATIONS

Students must maintain virtual settings and behaviors that are conducive for instruction and that minimize distractions.

Virtual Work Settings

1. Working stations must be free of foreign objects that are not being utilized for instruction.
2. The recording device being used for instruction must be positioned to allow teachers to observe both the working space and student, especially during testing.
3. Eating and drinking are not allowed during virtual courses. This is hazardous to electronic devices and can also be distracting during instruction.
4. **When possible**, students are encouraged to work in areas that are isolated from other individuals and pets. If circumstances exist that do not allow complete seclusion, the parent will need to share this information separately with the instructor. Instructors will only require what the parent can reasonably provide.
5. Additional electronic devices should not be kept or used within the visible working area, unless they are being utilized for instruction/are teacher approved. This includes the use of speakers, phones, earphones and other devices that may provide distractions from teacher lead instruction.
6. Students will follow daily guidance from their teachers regarding best methods of communicating and participating during virtual schooling. Instructions regarding when and how to interact verbally and how to use audio and camera options will be dependent on the design of instruction and direction of the teacher.

Student Dress & Conduct

7. Students are to wear appropriate dress, that does not distract from the virtual learning process. Inappropriate attire including but not limited to the following are prohibited: clothing with profanity; derogatory terms; racial slurs; sexual content; and clothing that is transparent or overly revealing. School uniforms will not be required for Virtual Schooling.
8. Students should refrain from engaging in any of the behaviors identified in **SCS Policy 6022**while engaged in virtual schooling. **Traditional school rules and behavioral expectations still apply.** Behavior that is disruptive to the virtual schooling setting will be addressed using progressive discipline measures.
9. Students are to remain positively engaged in instruction and participate.
