Dear Parent or Guardian,

We are writing to inform you that *Kingsbury Middle School* was identified for *Targeted Support and Improvement (TSI)* as required by ESSA and the U.S. Department of Education during the 2017-18 school year; and will therefore maintain that designation during the 2021-22 school year.

Our school is working hard with the district and the Tennessee Department of Education to increase student performance by teacher-led Tier I instruction, IReady small group intervention, daily push-in and pull-out of our SPED and ESL students and implementing blended learning stations to incorporate differentiated instruction. We encourage you to help by participating in the development and implementation of our school improvement plan and/or partner with the school by attending parent meetings such as Open House, Curriculum Night, Parent Teacher Conferences, Parent Data Night, Family Game Night, Literacy and Math Night, and other school and district level community engagement opportunities.

Sincerely,
