

School-Wide Family Engagement Plan

School: E. E. Jeter K-8 School
Title-I/PLC Coach: Ian H. Hudson

Principal: Paulette Bond
Federal Programs Advisor: Crystal Burton

E. E. Jeter Elementary School Family Engagement Plan was jointly developed with parents with specific expectations for parental involvement. The school is committed to providing parents with the necessary information and skills to help their children achieve academic excellence.

Standard 1: Welcoming All Families:

Families are active participants in the life of the school, and feel welcomed, valued, and connected to each other, to school staff, and to what students are learning and doing in class and school.

Standard 2: Communicating:

Families and school staff engage in regular, meaningful communication about student learning. Parents have an opportunity to assist in the development, review and approval of the school improvement plan, the family engagement plan and the school home compact.

Standard 3: Supporting Student Success

Families and school staff continuously work together to support students' learning and healthy development both at home and at school, and have regular opportunities to strengthen their knowledge and skills to do so effectively. Parents will be provided with a description of the curriculum, academic assessments, and student proficiency levels.

Standard 4: Speaking Up for Every Child:

Families are informed and enabled to be advocates for their own and other children, to ensure that students are treated fairly and have access to learning opportunities that will support their success.

Standard 5: Sharing Power:

Families and school staff are equal partners with equal representation in decisions that affect students and families and together inform, influence, and create policies, practices, and programs. Parents are encouraged to offer suggestions, comments, and concerns as stakeholders in their child's education and provide them with timely responses.

Standard 6: Collaborating with Community:

Families and school staff work together with community members to connect students, families, and staff to expanded learning opportunities, community services, and civic participation.

Activity	Presenter(s)	Materials	Evaluation/Implementation of parental training	Outcome	Cost
