Kelly George coaches Grahamwood's Cheerleaders to Victory!

After a win in January, Grahamwood Elementary School's competitive cheer team won again in February! Congratulations to Coach Kelly George and the Grahamwood Dragons Cheer Team for their 1st Place win at the Rockin' Victory Spirit competition. "It is really fun being a cheerleader. We all work together during practice and to do stunts", says 5th grader Emoree McFerren. "The competitions are pretty stressful, so we pray before going on stage to lift each other up. Cheerleading is a fun environment!"
