## Virtual Bell Schedule

- The most successful students are involved in school activities.
- Fall sports are **on hold** but you can always send an e-mail to a coach and let them know that you are interested. That way they can contact you when they have information. (see Wellness Wednesday for messages from coaches)
- All school-based clubs have a service component. We are still in the process of developing what that will look like virtually.
- A club list will be available soon on the school's website.
- Parents and students, please consider joining the PTSA. They are an active group at Central and share lots of timely information. (see Community Thursday for PTSA information)
- Students learn to advocate for yourself. Parents allow your students to learn this skill by encouraging and supporting them in this process.

Most importantly, we will all need to learn to be patient and flexible during this trying time.
