What to Do

- Take a walk together and find a Fall leaf. Bring it to share with the class on THURSDAY!

Notes and Reminders from MS. Morris

- When students are asked to answer questions or participate in a learning activity, they are not muted. This means we are able to hear everyone in the house (even if they are using headphones)! Please keep this in mind for private conversations.
- Students can get additional practice using Ms. Morris's Virtual Classroom, ABC rooms, and the Theme page. Find it in Teams under the tab "more"!
