

INSIDE THE ISSUE

WELCOME TO NAVIANCE

Naviance Student is a mobile-friendly, student, family, and staff facing College, Career, and Life Readiness platform supporting students in their post-secondary planning process.

CAREER EXPLORATION

Students can explore career interests using multiple career tools to learn about the skills, wages, and requirements of career clusters, pathways, and careers they are most interested in.

COLLEGE EXPLORATION

The College Planning tools in Naviance bring the common tasks involved with college planning into one system. Students can search for colleges that fit their needs, apply and track their college applications as they prepare for their post-secondary goals and aspirations.

WHAT IS NAVIANCE STUDENT?

We are pleased to introduce Naviance Student – a comprehensive educational platform that you can use with your students to support their post-secondary planning process. More specifically, Naviance Student provides your student with opportunities for self-discovery, academic planning, career knowledge, college knowledge, and post-secondary planning.

In using Naviance, students will be able to...

- Discover [personal interests](#) and [strengths](#)
- Research real world [careers](#) tied to their interests and strengths
- Research and apply for [colleges](#)
- Research and apply for [scholarship](#) opportunities
- Learn from over [905 leaders](#) from all backgrounds and across the country about [how they made their career decisions](#)
- Connect learning to [academic goal setting](#) and [post-secondary planning](#)

Check out this quick video explaining the Naviance Student Journey and post-secondary planning process by scanning the QR Code, or clicking following the link:

CAREER EXPLORATION TOOLS

The Career Planning and assessment tools in Naviance Student allow students to realize their strengths, goals, skills, knowledge, values, constraints, and interests to help them make more informed decisions about their post-secondary goals. While exploring careers of interests, students gain a clear understanding of the academic preparation required to pursue careers that are likely to be fulfilling for them. This insight will help students select high school courses and extra-curricular activities that will help them gain experience, knowledge, and skills in the field they are most interested in pursuing after high school.

The Career Planning features allow students to:

- Search for careers by job title, keyword, and category
- Read about skills, requirements, and wages for nearly 1,000 careers
- Check up-to-date wage data at the national, state, and city levels
- Watch videos for popular careers (many of which are also available in Spanish)
- Identify colleges offering related majors

Job Description

Assistant dentist, set up equipment, prepare patient for treatment, and keep records.

ROADTRIP NATION INTERVIEW ARCHIVE

The Roadtrip Nation Interview Archive includes over 5,000 video interviews showcasing the diverse personal stories of leaders who have turned their interests into their life's work. Interviews are conducted by young people who have candid conversations with leaders about their successes and failures and how they were able to navigate life's many challenges to pursue endeavors that matter to them. By hearing how successful people overcame challenges, students can learn from leaders and apply those insights to their own lives.

Roadtrip Nation Interview Archive Helps Students:

- Become more self-aware by recognizing interests, values, and goals
- Gain exposure to pathways they may not have known existed
- Take ownership of their own learning experiences through self-directed exploration
- Develop greater engagement by discovering exciting opportunities for their futures

Explore What's your road? Interests Themes Leaders Playlists

What's in the Archive?

We've gone on 52 roadtrips and interviewed 976 leaders creating 8122 videos on struggle, triumph, and self-discovery that have been broken into 48 themes and 29 interests.

First time here? Click on the Roadmap to watch more interviews with people whose interests are similar to your own.

CAREER PROFILES

Students can search for Career Clusters, Pathways, or Careers of interest using the careers search tools, or, review their Naviance assessment results to learn more about career opportunities tied to their unique strengths and interests.

Students can click on their career of interest to see a description of the career, necessary knowledge and skills to be successful, common tasks and activities performed, and local, state, and national wage comparisons.

Students can also select the "heart icon" to favorite any careers of interest. Their favorites careers list will also provide recommended career clusters, pathways, and careers that are similar to those they've already favored-- making suggestions for careers they never knew may have existed!

POST-SECONDARY PLANNING STAFF RESOURCES

COLLABORATIVE TOOLS

Journals: the Journal Dashboard allows staff members a way to create and view journal entries that have been created, capturing conversations between staff and students.

Documents: the Document Manager allows schools to add and manage documents that can be shared with counselors, teachers, individual or groups of students

Surveys: the Survey Tool allows staff to get information and feedback from students, parents, or alumni.

Messaging Tools: using the Messaging tool, you can send a message to a group of students and/or parents or to a group of college contacts.

REPORTING

The data in Naviance provides insights and analysis to you tailor college, career and life readiness planning and drive postsecondary outcomes within your school and district.

Using the data in Naviance, schools and districts can:

- Monitor and track students' activities in Naviance Student
- Identify the factors that impact postsecondary achievement
- Inform decisions as to what's working and what's not

Naviance offers **three key areas** of analytics:

Reports: provide details of student information and activity, helping to monitor and track student's college, career and life related activities and progress

Naviance Insights: a series of college outcome dashboards that empower educators to build a college readiness strategy on proven results

Alumni Tracker: allows schools to measure college enrollment and graduation rates for high school classes and individual students thanks to a partnership with the National Student Clearinghouse

REPVISITS

RepVisits makes it easy for high schools and college admission counselors to schedule visits and college fairs. High schools can publish available visit times and fairs. Higher ed admission counselors can schedule visits and request to attend fairs. All of this can be accomplished without back and forth emails or calls!

High Schools can:

- Configure and publish availability
- Manage scheduled visits
- Receive notifications for new appointments and updates
- Naviance users can publish visits to Naviance College visits

Admission Counselors can:

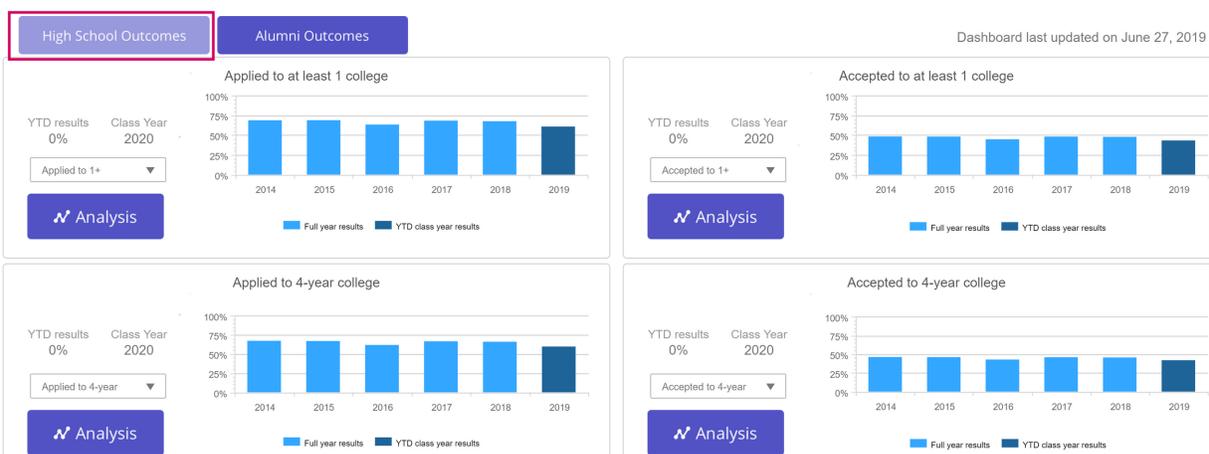

- Search for high schools (by name & location)
- View availability for each participating high school
- Request appointments for available times
- Receive notifications for changes from the high school

HOW REPVISITS WORKS

High schools post their availability for college visits

Higher ed reps view availability & schedule visits instantly
