

RTI2B

Craigmont Middle School is participating in a very important behavior program, RTI2B or formally “PBIS”. We are using this program to help our students have a safe, positive learning environment and to provide consistency in all areas of our school.

What does RTI2B look like at Craigmont Middle School?

We will be using three consistent school expectations as part of our program:

Be Respectful

Be Responsible

Be Ready

You will see these expectations posted throughout the building. Teachers will be using lesson plans to explicitly teach these three expectations to our students for all areas of the school (cafeteria, hallway, classroom, etc.). To reinforce these expectations, your child/children will be receiving individual points as well as whole class rewards. These positive behavior points may be redeemed in the Chief Store throughout the school year.

How can you be a partner in this effort?

We want you to be a partner in helping us make our school a more positive place for our children to learn. We are including the behavioral expectation matrix attached to this letter. To ensure that you as parents and your child/children as students are aware of the school expectations; we ask that you review the matrix in its entirety with your child/children. Once reviewed, please sign and return the bottom portion of the letter to your child’s teacher. Additional ways to be involved are: using the expectations in your home, reminding your child/children each day before they leave of the expectations, as well as asking them if they followed the rules that day and if they received any Chief Points.
