

# DECEMBER 7 IS A BIG DAY FOR SCS EIGHTH GRADERS.

**Eighth grade students  
will take the PSAT for FREE.**

## **BENEFITS OF TAKING THE PSAT:**

- The PSAT makes it easy for students to begin preparing for college and a future career.
- It helps students identify their strengths, which can encourage them to explore courses that might be a good match, including Honors, AP and Dual Enrollment, and consider possible degrees or career paths of interest.
- The PSAT helps identify areas that students need to improve in order to be ready for college.
- **The test often leads to higher scores on the ACT and SAT.**

**Don't miss the chance to take the PSAT  
for FREE. Be at school December 7!**

**FOR MORE INFO, TALK TO YOUR SCHOOL COUNSELOR.**
