

SHADY GROVE ELEMENTARY

**We are The Shady Grove Eagles,
Soaring Towards Goals of Excellence!**

OUR STORY: UNITY & DIVERSITY

Shady Grove is nestled in the heart of East Memphis, serving approximately 400 students in grades K-5. Like the world in which we live, we encompass multiple cultures, ethnicities, and languages. We embrace the diversity of our school, and celebrate our individual differences through our creative arts and learning programs. Our Fine Arts Programs work collaboratively with the community to provide opportunities for creative learning experiences.

We focus on the whole child with innovative programs such as Pet therapy (with our certified service dogs-Tilly & Molly), D.A.R.E., Run Club, Race for Grace 5K, and our 2 outdoor classrooms, as well as our new SENSORY Learning Climbing Wall.
