

MCHS 2021 PROFILE

Middle College High School

Visit <https://schools.scsk12.org/middlecollege-hs>

Established in 1987, Middle College has a rich tradition of preparing students for college and life. As stated, our mission is to immerse students in a safe collegiate and academically challenging learning environment that prepares them to communicate effectively, think and reason critically, value diversity, and engage in service to others in and beyond high school. MCHS will foster a safe and nurturing atmosphere of academic innovation. Enthusiastic teachers, supportive parents, and involved community partners will unite as the driving force to prepare students to become self-motivated, self-disciplined, and socially responsible individuals.

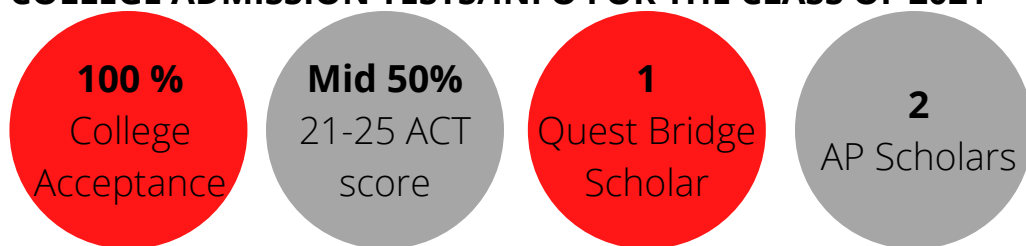

Honors, AP COURSES and DUAL ENROLLMENT

In addition to Honors' courses, eligible students are able to access our Advanced Placement and Dual Enrollment courses. These courses provide students with the opportunity to receive college credits while concurrently enrolled in high school. Additional Dual Enrollment courses are provided on the campus of Christian Brothers University, when eligibility is met.

FIVE PILLARS

Leadership Opportunity Character Knowledge Service
MCHS is so much more than a great academic institution. We believe in developing students with sustaining characteristics that will enable them to become change agents for Memphis, our country and our world. We recognize students and staff that exhibit excellence in our five pillars throughout the year. Additionally, each student engages in over 100 service hours during their time at MCHS. Service is an amazing way to understand ourselves and our role in the community.

Extra/Co-curricular opportunities

We offer our students additional opportunities to fuel their individual passions and pursuits through a wide range of clubs, honor societies and activities, including: band, orchestra, theater, dance, FBLA, TSA, student government, student ambassadors, Science Olympiad, National Honor Society, Pre-Health Professionals Society, cooking club, yearbook, chess/cards clubs, and more!
