WELLS STATION ELEMENTARY

Neighborhood: Nutbush/Berclair
Enrollment: 700 Grades: preK-5

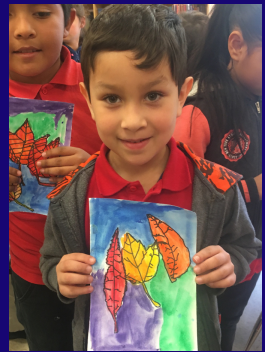

Nestled in the heart of a diverse Memphis neighborhood, Wells Station Elementary is a true melting pot, providing a safe, nurturing environment to inspire students with a lifelong love of learning. Originally established as an elementary school to feed into Kingsbury Middle School, Wells Station now places its students at middle schools throughout the Shelby County School district. Our mission: to instill in every student the desire to obtain the knowledge, character, and skills required to succeed in today's competitive world. To achieve this goal, we engage the students as well as the parents.

We have an active parent outreach program that includes parent meetings, Roadrunner C.I.A. (Community in Action) -or- PTO, bi-lingual calendars and newsletters to service our Spanish speaking families, and special events that highlight our multicultural student body. From Hispanic Heritage Month to our Cinco de Mayo party to International Day and Black History Month, we celebrate diversity throughout the school year. Wells Station also puts on family-fun events like our Fall Carnival, Field Day, and our Sports Explosion. These events bring families to our school, so that we can build community amongst our stakeholders—the students, parents, teachers, and staff at Wells Station.
