IN THE CLASSROOM THIS WEEK

This week we are getting to know each other and learning the expectations and procedures for the class.

Please be on the lookout for our school-wide red Wednesday folder coming home this week. There will be a lot of forms and important information in it for you. Please complete all student information sheets and forms and return by Friday. Our daily folders will begin coming home after the parent night.

Fabulous First-Graders

Have your child recite Richland's character pledge and the Fabulous Four (Richland's Rules: ABCD)

Parents,

This is going to be a fun and exciting year for you and your child. Your kiddo will continue to develop his/her skills in reading and writing, addition, subtraction, and much more. It is my goal to make sure your child's experiences this year are fun and meaningful, while also encouraging them to become more independent as they grow and mature. I am dedicated to making sure that I create a love of learning that they will carry with them for years to come.

Meet the teacher night is Thursday, August 15th. Plan to come to our classroom to learn more about what we will be doing and learning this year. I will be discussing classroom expectations, procedures, curriculum, and much more.

Remind is an app that I will use to send messages, updates, and reminders throughout the year. To be added to our class, text @malland24 to the number 81010.

My website will be updated weekly. You can use the website to get important information about what is going on in our class. You will also find upcoming dates to remember, resources for parents and students, my weekly newsletter (posted Sunday evening), and much more. To find my webpage, visit <https://bit.ly/3A3Hm2u> or go to the Richland home page. Select the teachers tab and then find my name.

Be on the lookout for an email with a sign-up genius link for Tuesday snacks. We do not have any encore classes on Tuesday, so we break up the long afternoon with a snack. If you are willing, please sign up to send snacks for the class (21 students).
