## Parents,

**Richland's** book fair is this week. Allowing your child to purchase books at the book fair is a fun and exciting way to promote reading and encourage more interest in books. Remember to set up an E-wallet for your child if you intend for him/her to purchase books. It is helpful if you let me know that you have placed money in an account for your child and the amount, so I can have that available while they shop. The book fair will be open after school each day until 4:00 if you prefer to bring your child to shop.

## Permission slips and information

should be coming home Monday about our first field trip. We are planning to go to Cedar Hill Farm on Tuesday, October 28<sup>th</sup>. Payments must be made online, but make sure to send the signed permission slip to school. Please also indicate if you are planning to attend as a chaperone, so I will be able to make those arrangements. If you think you may want to join us as a chaperone, you must complete the Level 3 volunteer application, which requires fingerprinting, because this is an "out of state" field trip. However, if you did this last year, you may be able to renew your level 3 status without fingerprints because they are valid for a couple years. Remember you can find the link for the application on my website.

**The First Quarter** ends on Friday, October 3rd. Please check your child's grades in PowerSchool this week. If he/she is missing any assignments, please reach out to me to find out what needs to be done to make up the work. While grades must be finalized at the end of the week, report cards will not go home until after fall break.

## THANK YOU'S
