A Note From The Teacher

Dear KK07 families,

We are now in the 7th week of school! I feel like our friends are really getting in a good routine. They are doing a wonderful job of coming in the classroom in the morning! Please be sure to review their daily work and follow up at home on any missed items. Be sure to practice writing numbers 1-10, writing first names correctly, and practice sight words I, can, the, see, a and we!

Reminders

Our classroom can get very warm and cool during these time. Send a UNIFORM sweater or jacket if needed to wear inside the building. Please make sure you send your child to school with a water bottle each day. If your child forgets his or her water bottle, they can get a drink from the water fountain. Remind your child to stay hydrated each day!
