

September NEWSLETTER

Week of: 9/8 - 9/12

A Note From The Teacher

Dear KK07 families,

We are now in the fifth week of school! I feel like our friends are really getting in a good routine. They are doing a wonderful job of coming in the classroom in the morning! Please be sure to review their daily work and follow up at home on any missed items. We will finish our study of apples this week! We are looking forward to apple tasting this week and making applesauce!

Reminders

Our classroom can get very warm and cool during these time. Send a UNIFORM sweater or jacket if needed to wear inside the building. Please make sure you send your child to school with a water bottle each day. If your child forgets his or her water bottle, they can get a drink from the water fountain. Remind your child to stay hydrated each day!

Upcoming Events

- September 11 – Parent Conferences (for those who signed up)
- September 12 – Skate Night 5:15-7:15
- September 29-October 3 – Book Fair

Contact Me

I welcome and value parent involvement throughout the year. I would love to hear from you, and you are welcome to contact me with any questions, comments, or concerns you may have.

What We Are Learning

Math

- Math: Greater than, Less than, Equal groups 0-10

Reading

- * Key details in a non-fiction text (Apples: parts, life cycle, seasons of apple tree) • Phonics- Letter Aa (-at, -an, -am rhyming word families) • Sight Words- we, I, can, the, see (writing and reading them in context) • Grammar: Nouns • Writing: Practicing copying sentences •

At Home

Please read together every night! Also spend a few minutes practicing letters/sounds/simple words + sight words!

Together may we give our children the roots to grow and the wings to fly.
