

# 2-02 NEWS

Week of: 9/8/25

## A note from the teacher:

Happy Monday!  
I hope you all had a great weekend. This week we will be working on adding within 100 using different strategies. This is a big jump! Please let me know if you need extra resources to reinforce these skills at home. There will be tutoring offered at the school on Mondays and Tuesdays from 3:30-5:30. Please let me know if you are interested, and I will send you the link. Annual Giving Campaign ends SUNDAY! We are in second place!
