

KINDERGARTEN NEWS

DECEMBER

FROM THE TEACHER

Please adjust the back up clothes in your student's backpack for the weather. Ex: if there are shorts in their bag, please replace them with pants so your student stays warm when we are outside!

Please be on the lookout for email communication from our room sponsors regarding holiday parties!

WE ARE LEARNING

December 6 -10, 2022

Students will learn the correct formation and sound for the letter 'd.' Students will learn the sight word, 'do.' Please review all sight words at home with your students including, 'you, go, to, and, a, like, I, can, we, the,' and 'see.' Students will identify the main topic and retell key details of a text using books on reindeers and holidays around the world. In math, students will compare, identify, and create sets that are the equal, 1 more, and 1 less.
