FAQS

Who qualifies for the quarantine meals?

Students who have received notification to quarantine are eligible to receive these meals.

What does a meal kit include?

Each kit contains one cold grab-and-go breakfast and one cold grab-and-go lunch.

- Breakfast includes a serving of milk, fruit or juice, and a two-grain item.
- Lunch includes a serving of milk, two servings of vegetables, one serving of fruit, and one entrée.

When and where can I pick up meals?

Meals can be picked up at your child's assigned school Monday through Friday (except on holidays) between 9-9:30am through the period of quarantine.

How many meals can I pick up?

Parents/guardians can pick up one breakfast and one lunch meal daily for each child in quarantine.

What proof do I need to provide to receive meals for my child(ren)?

You will need verification information for each child in quarantine: 1) student name, 2) student ID number, and 3) school name.

What COVID-19 protocols are in place?

Meal distribution will be a touchless drive-thru with parents/guardians remaining in their vehicles with masks on. A nutrition team member will place meals on a cart accessible through the driver-side window.

Whom should I contact if I have additional questions?

Contact your child's principal.

TEXT MESSAGES

Here are scripts for text messages that you can send to your families to increase awareness.

- Free, pick-up meals (touchless) are available from 9-9:30am M-F for students in COVID-19 quarantine: bit.ly/3tHxF54
- Students in COVID-19 quarantine can now receive 1 breakfast and 1 lunch meal daily from their school site: bit.ly/3tHxF54

COVID-19 SAFETY PROTOCOLS

- Grab-and-Go meals will be pre-packaged.
- A physical barrier will be between the drive-up parent/guardian and Nutrition Services employee.
- Meal distribution will be a touchless transaction.
- Nutrition employees will wear all appropriate PPE (mask, face shield, gloves)
- Hand sanitizer and disinfectant wipes will be on-hand for use as needed.
