Dear Parents and Guardians:

At Kingsbury High School, we are committed to supporting our students both in the classroom and at home. To help your child succeed academically, we want to inform you of the valuable electronic resources available to all parents to assist their students.

As we head into the summer months, we want to ensure your child continues to have access to quality learning opportunities outside of the classroom. We're pleased to share several electronic resources that are available to parents/guardians that will support their child's academic growth and keep their minds engaged all summer long.

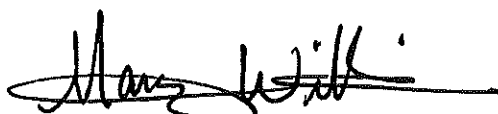

Regular use of educational tools over the summer can help prevent learning loss, boost confidence, and prepare students for a strong start next school year.

We appreciate your support in helping your child stay connected to learning throughout the summer break. You may access these resources on our school's website at <https://schools.scsk12.org/kingsbury-hs>.

If you have any questions about accessing these resources, please feel free to contact us at 901-416-6060.

Wishing you and your family a safe, fun, and enriching summer!

Shenar Miller, Principal

Margaret Williams, PLC Coach

Kingsbury High School is committed to fostering positive attitudes and reinforcing accountability in order to obtain high levels of achievement.
