

Return STRONGER

BACK TO SCHOOL

STUDENT CHECKLIST

Schools return to normal bell times of 7:15 a.m./ 8:15 a.m./9:15 a.m. I know my school's start time.

I know where my bus stop is and when to be there.

I have my mask, device, charger and headset. I also packed my own bottled water.

I know what safety measures to expect and follow when I come to school.

I know my parents/guardians will not be permitted to enter the building, and I know my school's arrival/dismissal plan.

I am feeling healthy and not showing any symptoms of illness. I am ready to learn!
