# White Station Middle and High

- ▶ Students who are enrolled in White Station Middle's Optional program and maintain the Optional requirements are enrolled in White Station High School's Optional program. Parents do not have to go through the Optional application process again in 9th grade through the linkage of our two schools.
  - ▶ White Station High has the highest number of National Merit Scholarship students in the area year after year, and many of these students have come through our school's Optional program.
  - ▶ White Station High School offers the highest number of Advanced Placement classes in the West Tennessee area. White Station Middle has consistently prepared students for White Station High's Honors and Advanced Placement classes for over 20 years.
  - ▶ Students who graduate from our school's Honors programs attend some of the top colleges and universities in the nation.
