School Counselors

TMS School Counseling Philosophy

The counselors believe:

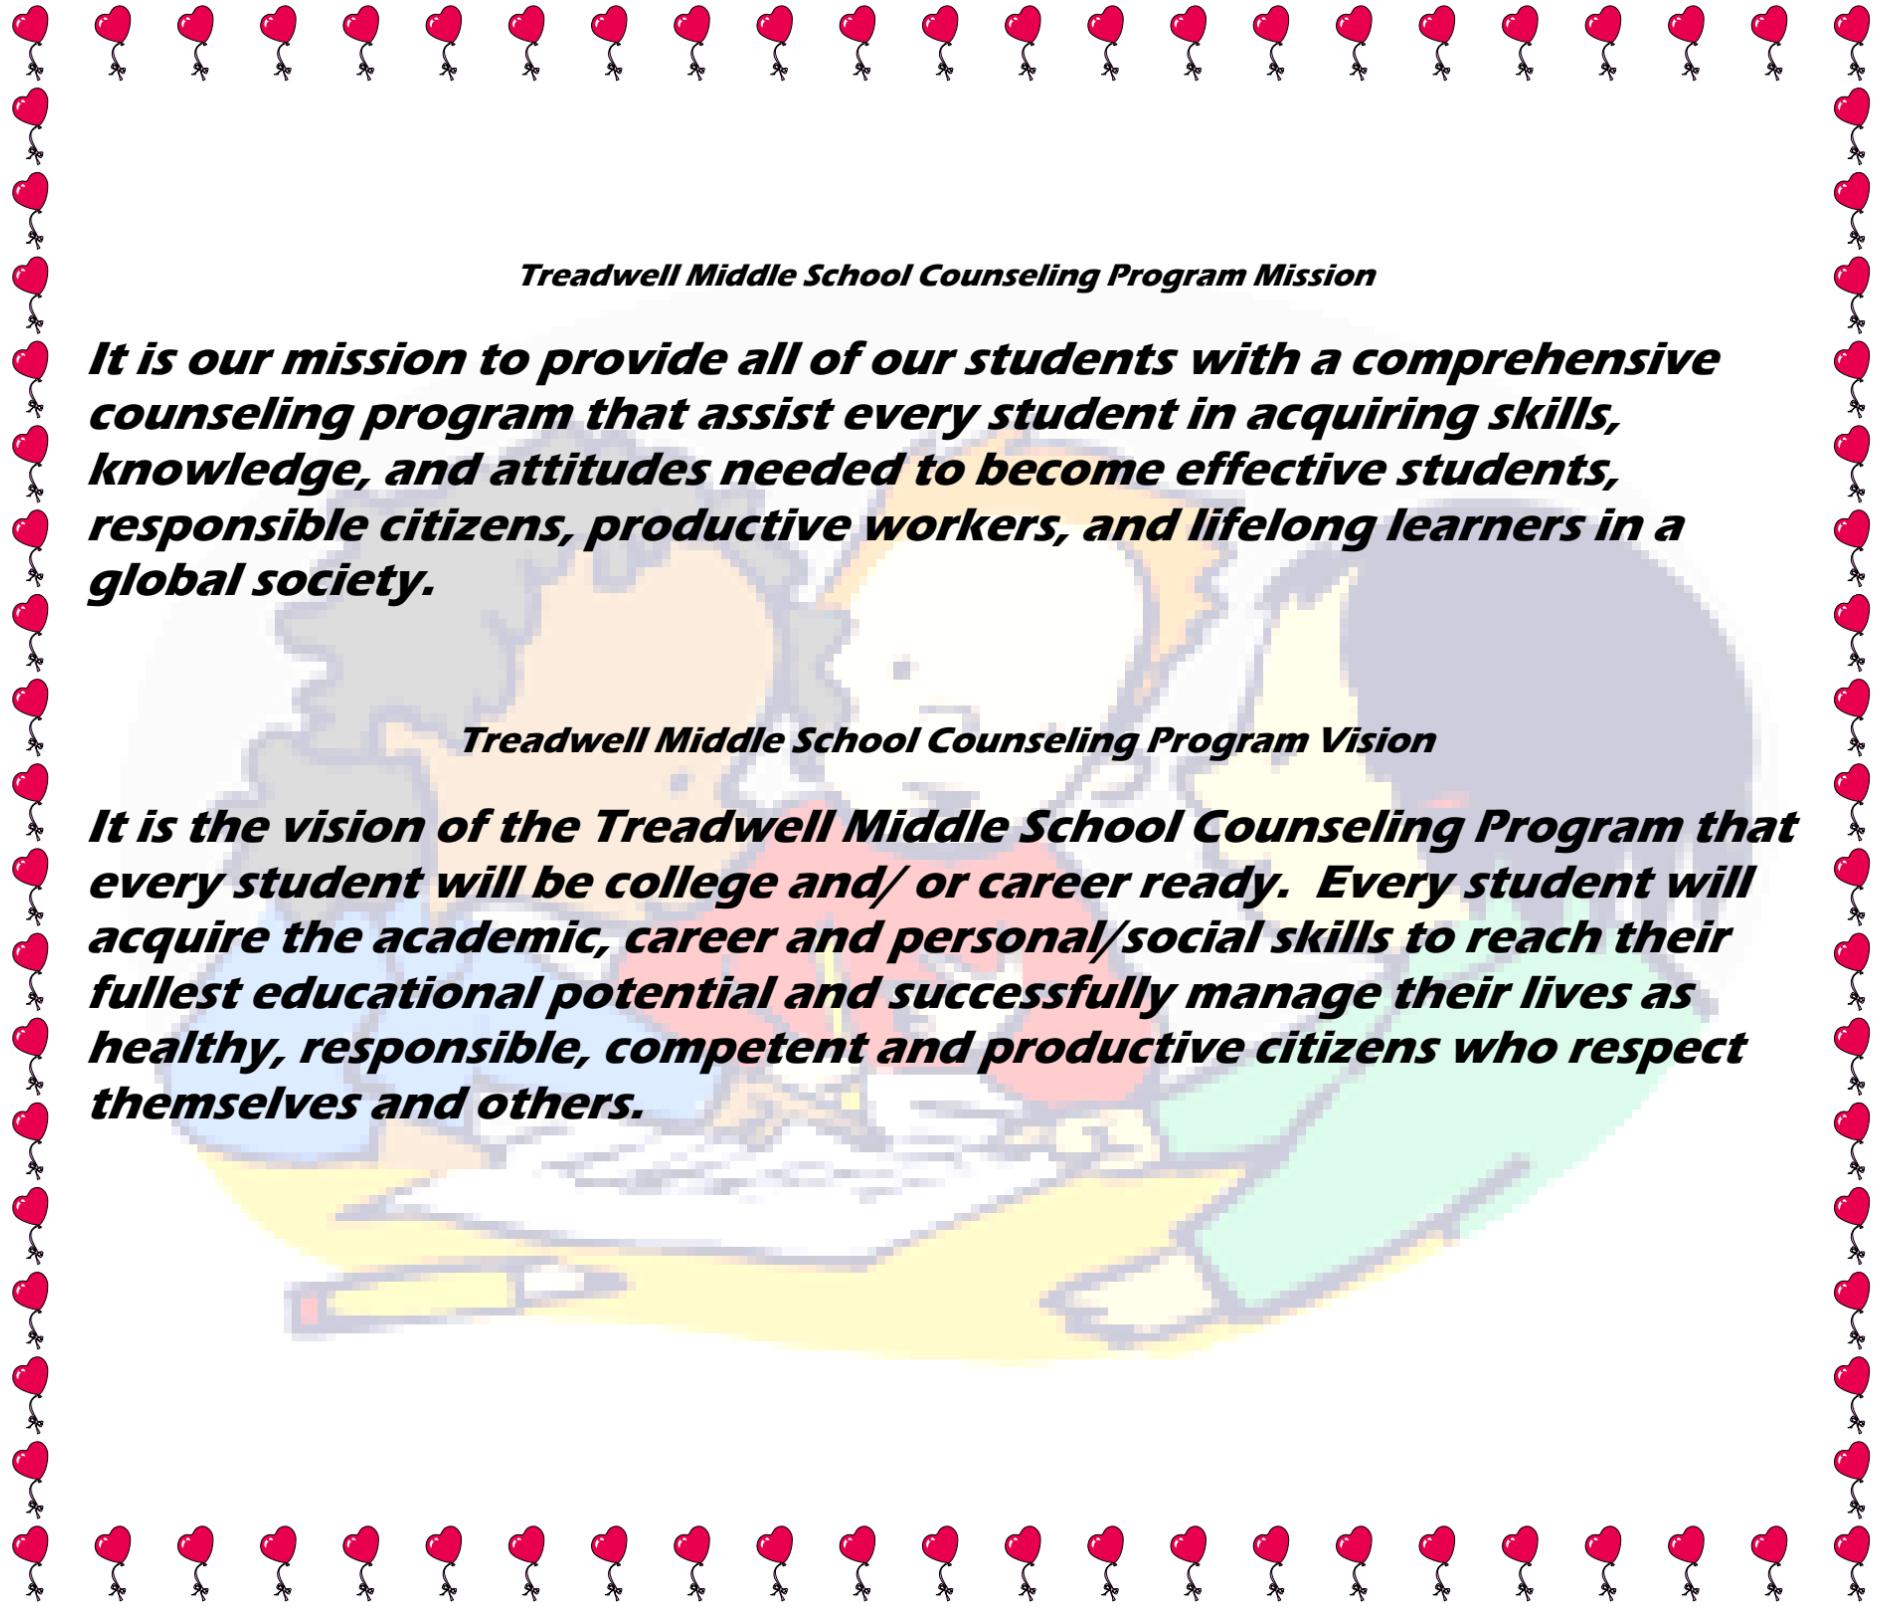

- All students are entitled to the services of a professional school counselor.
- Every student will should equal access to a standards-based comprehensive school counseling program.
- Effective school counseling is a collaborative process that involves, not only school counselors, but students, parents, teachers, administrators, community leaders and other stakeholders alike.

And the Treadwell Middle School comprehensive school counseling program will:

- Promote and support the academic achievements, personal and social development and career planning of every student
- Advocate for student success by offering individual counseling, group counseling and classroom guidance
- Articulate and demonstrate an understanding of the American School Counselor Association National Model of school counseling
- Analyze student data and conduct an annual program audit to evaluate the effectiveness of the school counseling program

And Professional School Counselors at Treadwell Middle School will:

- Plan and manage the comprehensive school counseling program
- Attend and participate in professional learning opportunities on both local and state levels
- Implement the Tennessee Department of Education Comprehensive School Counseling Program
- Demonstrate ethical and professional behavior as outlined by the American School Counselor Association Code of Ethics
