

MITCHELL HIGH SCHOOL TIGER NATION NEWSLETTER FALL 2023- QUARTER 2

ACADEMIC SHOWCASE

"English Language Arts"

In 11th Grade English, we are reading historical nonfiction documents to explore the essential question, "What is the meaning of freedom?". In the Declaration of Independence, Thomas Jefferson explains that we have certain unalienable rights that the British were not acknowledging. We have analyzed the Preamble to the Constitution and Bill of Rights which gives a more detailed description of citizens' individual rights and places limitations to the power the government has.

Mrs. C. Williams ELA III

In 9th grade English, we have just started to dive into identifying themes in literature! We spent last week reading Mansfield's "Doll's House" which considers the ways classism is a learned behavior, passed from one generation to the next. Students took their first shot at identifying theme using this text and used ACE format to write about it!
