NOVEMBER 7-11

Upcoming EVENTS

Nov. 8:
Election Day
Students out

Nov. 10:
Veterans Day
Program
*Parents are
invited to the 2:00PM
Program

Nov. 11:
Veterans Day
Students out

OUR LEARNING focus...

Eureka Math - Module 3 - Topic B

Lesson 7: I can interpret the unknown in multiplication and division to model and solve problems using units of 6 and 7.

Lesson 8: I can understand the function of parentheses and apply to solving problems.

Lesson 9: I can model the associative property as a strategy to multiply.

Reminders

Homework will include an optional portion this week due to our altered schedule. However, encourage your student to utilize extra, intentional practice if possible. Students who complete all homework components, turned in Friday of this week, will receive a sticker for their Reward Chart. 😊

Note from Ms. Hussey

Thank you so much to the parents/grandparents who were able to chaperone our field trip. It was such a joy to see the kids have fun at the Harvest Festival. Remember: Students are out on Tuesday and Friday this week. The Veterans Day Program will be on Thursday. Parents are invited to attend the 2:00 performance. Please see blue form sent home to know if your student is asked to wear a red polo or a white polo for the program. I am always here for you! Have a great weekend!
