ALL MATH (S): What manipulatives might be integrated into the lesson? What did you learn from using the manipulatives in advance of using them in class with students?			
ALGEBRA 1: What practice problems are you planning to use for the Explore, Understand & Apply, Practice & Problem Solving, and Assess & Differentiate portions of the lesson? What did you learn from working the problems in advance of using them in class with students? TEACHER PLANS: Components of the textbook's Instructional Design			
What activities/practice problems are you planning to use for Launch the Lesson, Explore It, Examples & Self-Assessment, and Practice portions of the lesson? What did you learn from working the problems in advance of using them in class with students? TEACHER PLANS: Components of the textbook's Instructional Design			
ALGEBRA II: What practice problems are you planning to use for the Launch, Explore & Develop, and Reflect & Practice portions of the lesson? What did you learn from working the problems in advance of using them in class with students? TEACHER PLANS: Components of the textbook's Instructional Design			

Overton High School (Page 7) ALL ELA (S): What text(s) will be used for each phase of gradual release of responsibility? **TEACHER PLANS: Phases of** gradual release. Have you read and annotated the text(s)? (Show me) · What type of literary text or informational text will you use? · Did the text(s) come from the reading prescriptions? If not, why was this text chosen? · Is the text in the Wonders or myPerspectives curriculum? • What real life examples appear in the text or can be used to help students make meaning from the text? · What components of the text will be difficult for your students? · What is the flow of instruction? Is it aligned to the Gradual Release of Responsibility? Gradual Release Questions · Please show me your exemplar for the I Do. What will be modeled? · What will be done through partner work? Independently? · What student misconceptions are you anticipating and why? ALL ELA (S): High-Quality Texts: Core Action 1 Focus each lesson on a highquality text (or multiple texts). Text-Specific Questions: Core Action 2 Employ questions and tasks, both oral and written, that are text-

specific and accurately address the analytical thinking required by the

grade-level standards.
