Spring School-Based Family Data Night

March 29, 2023

MEMPHIS
SHELBY COUNTY SCHOOLS

MSCS VISION FOR STUDENT SUCCESS

We envision Memphis-Shelby County Schools (MSCS) becoming a transformational district that provides opportunities for innovation to meet the needs of all scholars.

REIMAGINING 901

Reimagining schools. — 21st Century Learning Facilities

Reimagining communities. — Strategic Partnerships

Reimagining education. — Academic Programming

Agenda

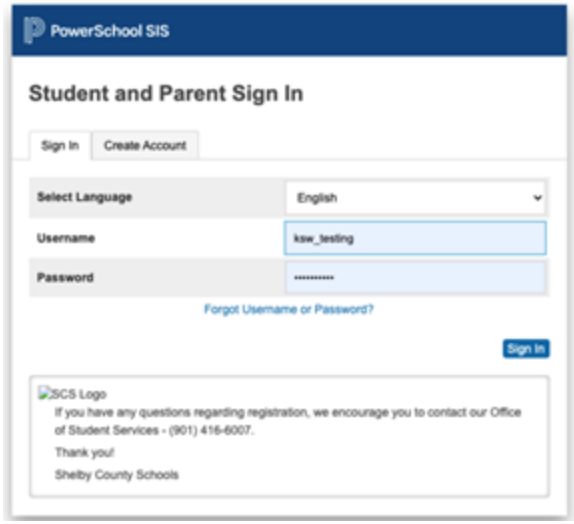
- Purpose of School-Based Family Data Night
- Accessing the SCS Parent Portal (Report Cards/ Progress Reports)
- PowerSchool Academic Score Card
- Assessment Department Resources for Families
- Mastery Connect Updates K-8 and 9-12 EOC (End of Course Math and Science)
- Elementary/Middle – iReady Diagnostic/Parent Reports (Grade K-8)
- MSCS Literacy Commitment (K-3)
- Secondary - Naviance (Grades 6-12)
- Advanced Academics
- School Communication Updates (ex. Tutoring, Class Dojo, Weekly/Daily Communications, Emails, Upcoming virtual Parent Meetings)
- Upcoming FACE Parent Support Opportunities
- Community Based Parent Support Opportunities
- MSCS Tutoring Opportunities
- Registration/Enrollment, Withdrawals, & Transfers
- Questions & Answers
- Student Data Discussions

Purpose

- Inform parents on student progress with various assessments
- Provide guidance on how to read data reports
- Provide recommendations on how to assist students

Accessing and Viewing the Report Card

Accessing and Viewing the Report Card



- Report cards will be available for the complete quarter once all school grades are stored and will be housed in the parent portal.
- Access the report card, using the following link: https://scstn.powerschool.com/public/home.html
- Sign into your parent account.
- If you have forgotten the username or password, click on the "Forgot Username or Password" link.
- After logging in, click the report card icon.

PowerSchool Academic Scorecard

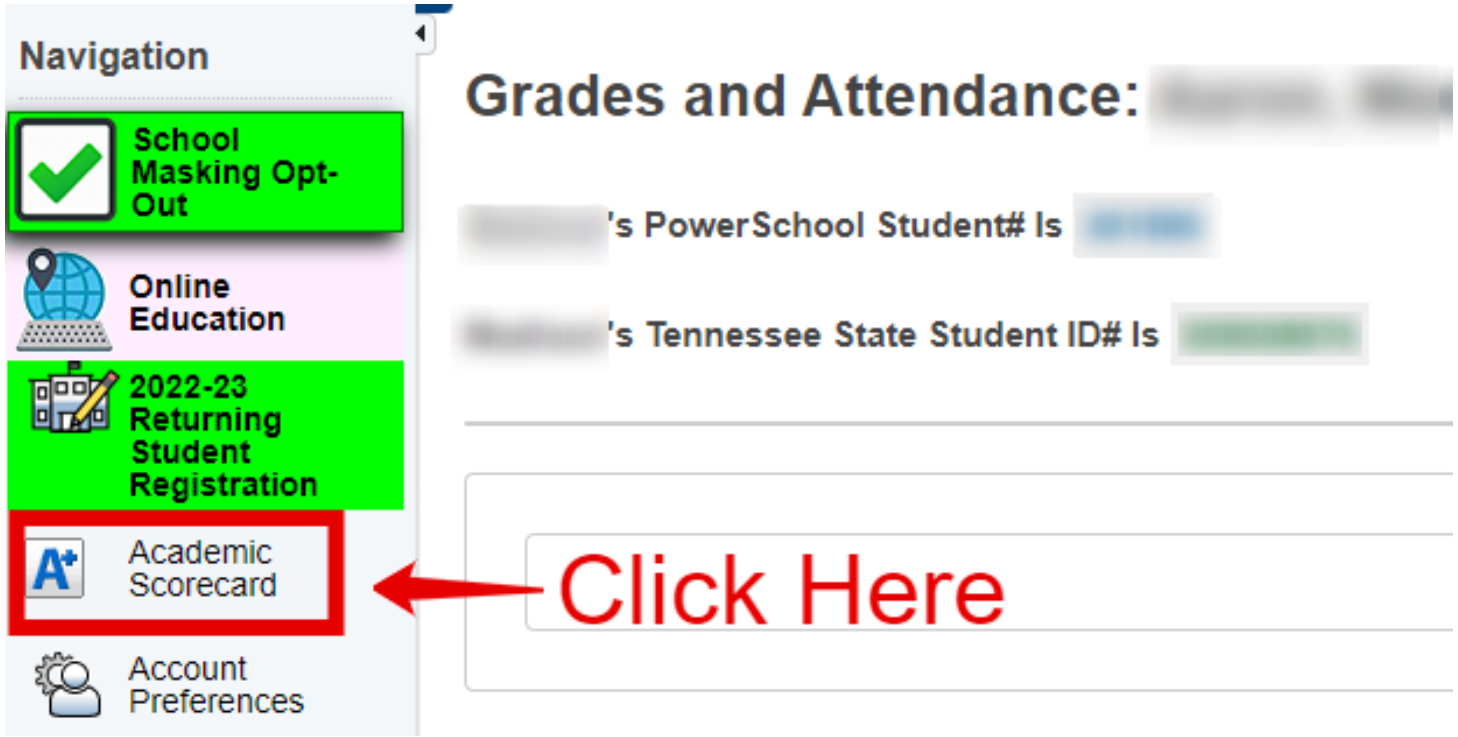
What is the Academic Scorecard?

The Academic Scorecard is a report available in PowerSchool that allows parents and guardians the ability to view their child's academic, attendance, and behavior data in one centralized location.

It can be found by logging into PowerSchool using your normal username and password.

Where is it?

Once you log in to PowerSchool, on the menu to the left of the screen, you should see the **'Academic Scorecard'** button.



Example Scorecard

Attendance

97%
Student Attendance Rate

92%
District Attendance Rate

3
Total Days Absent

Attendance Rate shows the percentage of days a student has been present since they have been enrolled. The District Attendance Rate is the rate for all students in the same grade level as this student.

3
Days Chronically Absent

Chronic Absenteeism Status: Satisfactory

Chronic Absenteeism refers to students who have missed 10% or more school days for any reason since they have been enrolled. Students are considered at-risk of **Chronic Absenteeism** if they have missed 5-9% of school days for any reason.

0
Days Truant

Truancy Status: Satisfactory

Truancy refers to students with many unexcused absences. Students are referred to the school's Student Attendance Review Team (**SART**) after 5 unexcused absences, and then the Student Attendance Review Board (**SARB**) after 10+ unexcused absences.

Behavior

Student behavior prevention and intervention strategies as defined in the State RTI2-Behavior framework involving all staff are key positive culture building activities. Student discipline actions are tracked in five categories:

Progressive Discipline Events: 0
Progressive discipline refers to any discipline consequence that does not exclude a child from the classroom. These actions are meant to improve behavior before it becomes a repeating issue.

ISS: 0 OSS: 0
ISS and OSS refer to in-school and out-of-school suspensions that remove a child from the classroom.

Expulsion: 0
Expulsion refers to a long-term suspension in which a student typically does not return to their home school for the remainder of the year.

Remand: 0
Remand refers to a student placement in an alternative school program following an expulsion.

State Assessment

No state assessment data available at this time.

Response to Intervention (RTI2)

1
Literacy Tier

1
Math Tier

Response to Instruction & Intervention (RTI2) indicates any formal academic intervention a student is receiving in English Language Arts or math. Intervention intensity and frequency increases across Tier 2 and 3.
Students in Tier 1 engage in grade level content during Core instruction. K-2 students performing below grade level in reading receive additional support through the Third Grade Commitment (3GC).
Students in Tier 2 receive additional small group and online intervention. Progress is monitored bi-weekly.
Students in Tier 3 receive more frequent and intense small group and online intervention, compared to Tier 2. Progress is monitored weekly.

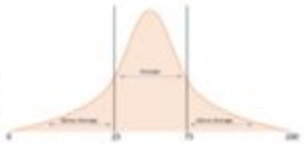
Find more information, visit SCS RTI online at http://www.scsk12.org/ci/rti.php?PID=1544

Example Scorecard

FastBridge Universal Screener

Date	Assessment	Scaled Score	Percentile	Percentile Bracket
09/09/2021	FastBridge aMath	176	1	Below Average (Below 25th percentile)
01/10/2022	FastBridge aMath	205	61	Average (Above 25th percentile)
09/14/2021	FastBridge aReading	492	74	Average (Above 25th percentile)
01/10/2022	FastBridge aReading	501	72	Average (Above 25th percentile)

FastBridge Universal Screener measures students' overall reading and math achievement levels three times per year compared to other students in the same grade level. The results are used to identify students who may undergo further assessment for interventions as well as eligibility for enrichment and advanced academic programs, such as CLUE.



The results show both the student's **Scaled Score** and the students achievement **Percentile** compared to the national average. Students above the 50th percentile have higher achievement than half of all students tested nationally.

iReady Diagnostic

Date	Assessment	Scaled Score	Percentile	Percentile Bracket
08/18/2021	iReady Diagnostic Math	402	50	One Grade Level Below
01/04/2022	iReady Diagnostic Math	425	61	One Grade Level Below
08/17/2021	iReady Diagnostic Reading	479	63	One Grade Level Below
01/05/2022	iReady Diagnostic Reading	522	76	On or Above Grade Level

The **iReady Diagnostic** is a computer adaptive assessment intended to measure student academic performance and growth. Teachers are able to track student performance aligned with grade level Reading and Math expectations.

The assessment measures students' overall reading and math achievement levels three times per year compared to grade-level expectations. Students can perform On or Above Grade Level, One Grade Level Below, or Two or More Grade Levels Below.

Third Grade Commitment

The Third Grade Commitment (3GC) policy is a collaborative effort between schools, parents, and communities to ensure all students have the foundational literacy skills they need to be successful for life.
Third Grade has been identified as the year students are no longer "learning to read" but are "reading to learn". Reading on grade-level by third grade ensures students have the tools they need to access curriculum in grades 3-12 and beyond. SCS is committed to partnering with families to help students reach reading-readiness before third grade.
Certain benchmarks have been set for student's to demonstrate their grade-level readiness for reading. Each metric is presented below with your student's performance on that metric. These benchmarks allow educators to identify students in need of additional literacy intervention and which skills require additional development.

FastBridge Illuminate - Reading

Fall FastBridge Lexile	430	✓
Winter FastBridge Lexile	570	✓

The FastBridge Universal Screener measures students' overall reading achievement levels three times per year compared to other students in the same grade level.

ELA MasteryConnect Assessment

Date	Assessment	Score	Performance Level
12/10/2021	MasteryConnect ELA-2	18	Mastered

The **MasteryConnect** common formative assessment measures students' mastery of ELA content standards three times per year. In 3GC, Second grade students who achieve a 70% or higher are considered on track.

ELA Report Card

Q1 Grade %	96	✓
Q2 Grade %	97	✓
Q3 Grade %

Ready Graduate

Ready Graduate Status is for high school students and indicates whether or not they have met college-and career-readiness goals defined by the State of Tennessee. Students are considered Ready Graduates if they complete one of the five pathways displayed here.

What counts as 1 EPSO?

A) Advanced Placement Course Completion and AP Exam Attempt

B) International Baccalaureate Course Completion and IB Exam Attempt

C) Dual Enrollment Course Completion

D) Statewide Dual Credit Course Completion and Statewide Dual Credit Challenge Exam Attempt

Assessment Department Resources for Families

TCAP Family Portal 2023

MSCS Department of Assessment

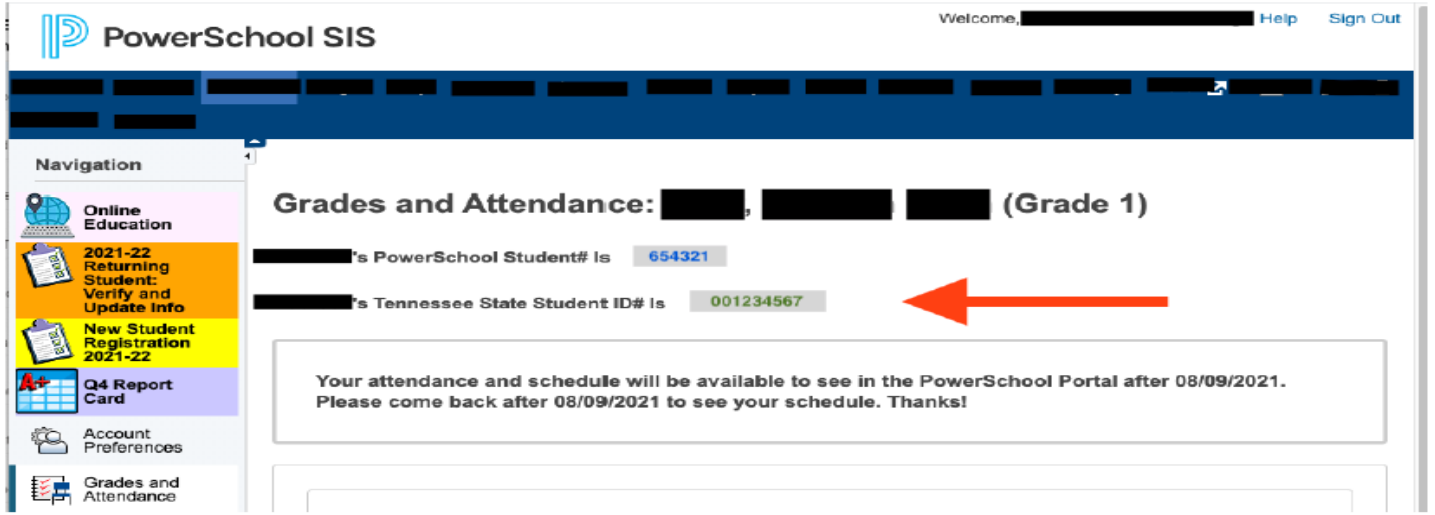
TCAP Family Portal

- The TCAP Family Portal is provided by the Tennessee Department of Education.
- Parents can access the TCAP Family Portal at familyreport.tnedu.gov.
- Parents can access their students' test scores using the TCAP Family Portal.
- One barrier to parents using the TCAP Family Portal is that it requires them to know their child's TN student id. This TN Student ID is different than the student's PowerSchool ID. It is also important to put two zeros in front of the student's 7-digit id.

TCAP Family Portal

STEPS TO ACCESS THE TCAP FAMILY PORTAL

1. Locate your child's Tennessee State Student ID number. This number is NOT the same as the PowerSchool Student ID but can be found using the PowerSchool parent portal. The ID number will start with two zeros and be displayed in green.



2. Once you have the Tennessee State Student ID number, go online to the TCAP Family Portal at familyreport.tnedu.gov. Enter the ID in the area labeled "Student ID (USID)" and use the drop-down tabs to enter your child's birth date. Then, click "Go." The system will pull up your child's results for review.

If you are a new user you will be prompted to create a password for your account. Once your password has been established, it will allow you to pull up your child's results.

MASTERY CONNECT

- Grades K-12 will participate in standards-based assessments aligned with district ELA, math, and science curriculum maps.
- Mastery Connect is an assessment platform that allows teachers to assess student mastery of specific standards.
- Students can receive results instantly.
- The results are displayed by standard, so although students will still get an overall percentage on any assessment taken, the focus is on the mastery of the specific standards.

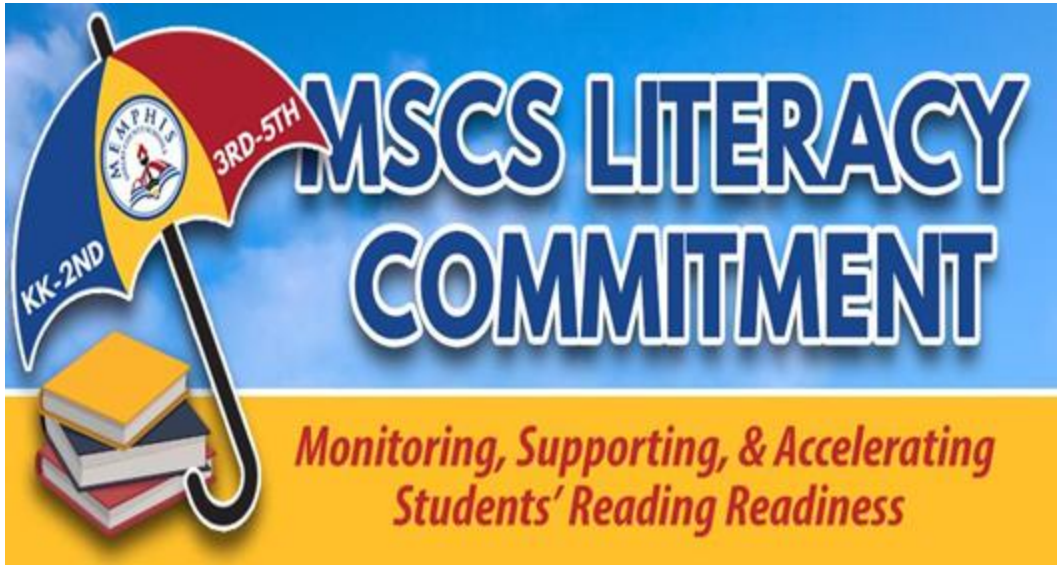
MSCS Literacy Commitment

MSCS Literacy Commitment

On Tuesday, August 30, 2022, Shelby County School Board members approved the rules and regulations regarding policy #5013 with the additional guidelines for 3rd and 4th grade as outlined by the state. Therefore, current 2nd-grade students will not be held to any success criteria for retention purposes; however, academic support and intervention must continue for those students. Policy 5013 Promotion and Retention.



Memphis-Shelby County Schools identifies student achievement as its highest priority. The Literacy Commitment is a collaborative effort between schools, parents, and the community to ensure the success and reading readiness of our students.

There are two main components to the Literacy Commitment:
Primary Grades (K-2)
Upper Elementary (3-5)

Students in Grades K-2
Focus: "Monitoring and Supporting Student Success"

For the 2022-2023 school year, students in grade 2 will not be required to meet success criteria points, nor will they be held to retention if they do not meet 8 out of the 12 success criteria points. This year, as a district, we will monitor and support student success in grades K-2 utilizing the universal screener, i-Ready.

Monitoring and Supporting: Any time a student is not meeting grade-level expectations, an academic support must be provided. An Academic Support Plan should be developed in EdPlan, parents should be notified, and the plans should be implemented until the student meets or exceeds identified ELA measure(s).

For more information visit scsk12.org/commitment.

Focus: "Accelerating Student Learning"

"Beginning with the 2022-2023 school year, a student in the third grade shall not be promoted to the next grade level unless the student is determined to be proficient in English Language Arts (ELA) based on the student's achieving a performance level rating of "on track" or "mastered" on the ELA portion of the student's most recent Tennessee comprehensive assessment program (TCAP) test."

Literacy Commitment 2022-2023

MONITORING & SUPPORTING STUDENT SUCCESS GRADES K-2

Student achievement is the District's highest priority. In 3rd grade, students are no longer "learning to read" but they begin "reading to learn." If students are not reading on grade level by the time they begin 3rd grade, half of the curriculum they will be taught for the remainder of their school years will be beyond their understanding. **The Literacy Commitment** is a collaborative effort between schools, parents, and community to ensure our students reach reading readiness before grade 3.

FACTS:

- **As early as age 3, a child's vocabulary can predict 3rd-grade reading achievement.**
- **61% of children from low-income backgrounds have no children's books at home.**
- **Students who do not read proficiently by grade 3 are 4x more likely to drop out.**
- **At the end of 2022, only 14.7% of MSCS 3rd graders were proficient on the TCAP English Language Arts assessment. Our goal is 40% by the end of 2025.**

NEW....State Law:

Tennessee Learning Loss Remediation and Student Acceleration Act

Starting in the 2022-2023 school year, 3rd grade students must score an "on track" or "mastered" on TCAP's ELA portion. If students score "approaching" or "below" and do not score proficient on the retest opportunity, they will need to attend a learning loss bridge camp and, if required, participate in the TN ALL Corps in 4th grade.

AT RISK FOR RETENTION?

HERE'S WHAT THE LITERACY COMMITMENT DOES FOR YOU:

A TCAP ELA retest will take place May 30 - June 9 – if your student scores **PROFICIENT,** they are promoted, no questions asked.

STUDENTS "APPROACHING"

IF THEY AREN'T PROFICIENT THE CHILD CAN:

Attend SLA (90% attendance) - take pre-test and post-test and show adequate growth

OR

Tutoring for ALL of the child's fourth grade year (a minimum of two 30-minute sessions/week)

STUDENTS "BELOW"

IF THEY AREN'T PROFICIENT THE CHILD MUST:

Attend SLA (90% attendance) - take pre-test and post-test and show adequate growth

AND

Tutoring for ALL of the child's fourth grade year (a minimum of two 30-minute sessions/week)

TN Learning Loss Remediation and Student Acceleration Act

3rd graders can be PROMOTED to 4th grade if:

English Language Learners (ELL)

- The student is an English language learner and has received less than two (2) full school years of ELA instruction;.

IEP or 504

- The student has a disability or suspected disability that impacts reading. The IEP or 504 team must convene a meeting to discuss if the student can be promoted.

Previously Retained

- The student was previously retained in any of the grades kindergarten through three (K-3).

Additional Causes for Exemptions

- The student's appeal has been approved by the department.
- Students who score proficient on the retake TCAP Assessment (ELA portion)

- Naviance connects the dots between student interests and college and career choices and stay motivated to choose the choose their best-fit postsecondary path.

Naviance

Our 8-12th grade students utilize Naviance to develop a 4-Year Focused Plan of Study

Purpose

Participating in the 4-Year Focused Plan of Study activity provides an opportunity for Students and Parents/Guardians to:

- Learn about graduation requirements, early post-secondary opportunities (EPSOs), and elective focuses available to students. Ready Graduate Video
- Explore course options for grades nine through twelve (9-12) based on their skills, interests, goals, and postsecondary aspirations.
- Develop an initial plan of study that will help support transition to high school and preparation for postsecondary options and

Middle School Student Expectations

- Complete pre-work activities to help prepare for process.
- Create and submit a 4-Year Course Plan in Naviance during **March 7th – April 1st.**
- Share plan with parents/guardians in Naviance (students log in and parents view student's Course Plan) and determine if edits are needed.
- Check plan to ensure it meets requirements and is approved by School Counselor no later than **April 8th.**

High School Student Expectations

- Complete pre-work activities to help prepare for process.
- Create or update 4-Year Course Plan in Naviance during **March 7th – April 1st.**
- Share plan with parents/guardians in Naviance (students log in and parents view student's Course Plan) and determine if edits are needed.
- Check plan to ensure it meets requirements and is approved by School Counselor no later than **April 8th.**

SEM Advancement Act:

Expanding Student Opportunities for Advanced Courses

What is the SEM Advancement Act?

The SEM Advancement Act is a new state law that expands students' access to advanced courses.

- All 7-12 grade students who meet the criteria for advanced courses in ELA, mathematics, and/or science will be **identified** and **notified** in writing.

- These courses include, but are not limited to:
  - Honors
  - Advanced Placement (AP)
  - Cambridge International
  - Capstone Industry Certification-Aligned
  - College Level Exam Program (CLEP)
  - Dual Enrollment (DE)
  - International Baccalaureate (IB)
  - Local and Statewide Dual Credit

- Families who do not wish to take advantage of advanced courses may **opt out** of this opportunity in the PowerSchool parent portal.

How can my child participate in advanced courses?

- Students with a B or higher **AND** a score of On Track/Mastery on the TCAP Achievement/EOC in their previous ELA, mathematics, and/or science course will be **automatically enrolled into the next respective Honors course(s)** based on class availability.

- Students who do not meet these criteria may still be considered for Honors courses.

- Students may also be eligible for advanced courses such as **Advanced Placement (AP)**, **Dual Enrollment (DE)**, **International Baccalaureate (IB)**, **Local and/or Statewide Dual Credit (LDC/SDC)**, or **Industry Certification (IC)**.
  - These courses are Early Postsecondary Opportunities (EPSOs) that enable students to potentially earn **college credit** while in high school.
  - All students who meet the eligibility criteria will be notified in writing.

- Talk to your child's school counselor for more information!
