

CLUE services for 2020-2021

Students learning at school:

- 2 hours per week of in-person, face-to-face instruction with a CLUE teacher
- 1 hour per week synchronous (real-time) learning face-to-face instruction with a CLUE teacher in GoogleMeets
- 1 hour of asynchronous (non-real-time) learning independent practice, within CLUE901 Google classroom-NOT as homework

Students learning at home:

- 3 hours per week of synchronous (real-time) learning face to face instruction with a CLUE teacher in GoogleMeets (not to be served concurrently or back-to-back)
- 1 hour of asynchronous (non-real-time), i.e. independent practice, within CLUE901 Google classroom-NOT as homework

You will find a great video explaining CLUE services for 2020-2021 on our parent page at (<http://www.clue901.com/parents>) with a [special section just for Fall of 2020](#).
