Dear Parent/Guardian(s),

We are excited to inform you that Kirby High School offers SchoolCash Online as our preferred method of payment for all school fees, including everything from field trips to yearbooks. Our SchoolCash Online page can be found here: <https://mscs.schoolcashonline.com>.

Benefits to parents and schools

SchoolCash Online helps parents and community members pay school-related fees safely, quickly, and easily. In addition to convenience for yourself, you will help increase efficiency and security at your school by making payments directly into your school's bank account. This allows teachers and secretaries to focus on helping students, and not counting cash. In addition, you are immediately informed about school activities!

Register now!

Registering for your free SchoolCash Online account takes less than two minutes!

Visit <https://mscsk12.schoolcashonline.com> and click Register.

Should you encounter any difficulties, please contact the SchoolCash Online parent help desk by visiting schoolcashonline.com/Home/Support.

How it works

Powered by KEV Group, SchoolCash Online is the industry leader in the safe and secure management of school fees. This system puts all of the school-related fees for your student online for purchase. Schools post their items and activities and assign the relevant fees to your student, so you can then make purchases online using your credit card. This allows you to stay informed about upcoming school activities while keeping track of the school fees that require your attention.

Thank you for your support!
