

THE Counseling CONNECTION

Welcome Back and Happy New Year!

Welcome Back! This month, our class lessons in K-2 will be reviewing appropriate behaviors. We will focus on our Richland Fabulous Four: Act safely; Be responsible and respectful; Care for yourself, others and the environment; and Do your best at all times.

Here is a quick review of what I provide as a school counselor: I am available to support students through individual short-term counseling, student check-ins, small group activities, classroom lessons, consultation / conferences, and 504 coordination. As a school counselor, I provide a comprehensive program that meets the academic, personal-social, and career needs of all students. I work confidentially with students and inform stakeholders of critical information on a "need to know" basis. My goal is to implement effective short-term interventions with students.

Please reach out if you have any questions or concerns.
