

Standards for School-administered Child Care, Chapter 0520-12-01
SUMMARY

Program Approval, 0520-12-01-.03

- All persons or entities must be certified by the Department of education.
- At least 5 school-aged children enrolled in kindergarten or above must be documented to be considered for approval by TDOE jurisdiction. If documentation is not proven, the program will then be referred to the Department of Human Services for licensing.
- A least 2 visits will be made to the program under the temporary license to ensure health and safety regulations are followed. Once the annual license is issued, visits will include 1 announced and 1 unannounced each program year. Supplemental visits may include a summer visit, complaint investigations, and follow-ups for violations noted at the regular visits.
- A certificate is not transferable to another location.
- The program must submit an annual report to the Department prior to October 1st. The certificate may be suspended if the report is incomplete.
- Programs are subject to being issued a safety plan if the department finds major health and safety violations during any on-site visit.

Program Organization and Administration, 0520-12-01-.05

- A Child Care Center must have an adequate budget. General liability, automobile liability, and medical payment insurances must be maintained on all properties and vehicles owned or operated by the program.
- Children's files must include a complete application, an official immunization record (exceptions do apply), and health history before the child is allowed in the classroom.
- On-going parent communication is expected. Programs must provide a parent handbook with the policies, procedures, and the TDOE requirements, chapter 0520-12-01. It is expected that parents sign for receipt of the policies and requirements, and this would be kept in the child's file. All parents shall be given a pre-placement visit opportunity.
- Parents must have access to all areas of the center when their child is present.
- The parents must receive an educational program regarding child abuse detection, reporting and prevention.
- A written plan must be in place for the release of each child, this should include individuals who are allowed to pick up the child at the end of the day or any given time by the parent.
- Children must be signed out of the program by the legal guardian. Staff may require to see a person's identification when releasing a child from the program.
- Injuries and incidences will be reported to the parent as soon as possible or at the end of the school day. This shall be documented in the child's file.
- Staff records must be kept on each employee that includes educational background, reference checks, TBI check, in-service training, physical exams and performance reviews.
- If the center provides transportation, the driver should be appropriately licensed, have a drug screening on file, and certificate of CPR/First Aid, there must be liability insurance and the children

must have adequate space and supervision. Transportation provided by the center or under center authorization shall comply with state law.

- Programs must have the current Certificate of Approval posted where parents and visitors can easily see it, along with the Department of Human Services childcare complaint number and the Department of Children's Services Child Abuse Hotline number.
- No smoking must also be posted in a conspicuous manner.
- A copy of the state board rules (chapter 0520-12-01) must be maintained in a central space and available to all staff and parents.
