

Educated ~

Experienced ~

Employed

Our Goal

Our goal is to have 100% of Trezevant CTC students obtain a “Preferred” Tennessee-approved industry certification or achieve 360 hours toward a Tennessee Cosmetology or Barber license.

Our Mission

Our mission is to ensure that every student develops the skills necessary to obtain a Preferred" Tennessee-approved industry certification and secures a high-wage, high-demand job immediately following high school. We want every student to complete their chosen program of study and leave Trezevant Career & Technology Center “Educated, Experienced, & Employed!

Our Vision

Our vision is to be the flagship career and technology center in the state of Tennessee by preparing students for post-secondary and career success through innovation and excellence.

AUTOMOTIVE MAINTENANCE & LIGHT REPAIR

The *Automotive Maintenance & Light Repair* program is well-suited for students with strong mechanical abilities and a genuine interest in automotive repair. This program will prepare students for a variety of careers involving automotive repair.

BANKING & FINANCE

Students enrolled in the *Banking & Finance* program will be prepared for a variety of lucrative careers in financial and investment planning, banking, insurance, and business financial management.

BARBERING

The *Barbering* program provides students the opportunity to earn the 1500 hours of instruction required to sit for the Tennessee Cosmetology and Barber's State Board exam to earn their Barber License.

COSMETOLOGY

The *Cosmetology* program provides students the opportunity to earn the 1500 hours of instruction required to sit for the Tennessee Cosmetology and Barber's State Board exam to earn their Cosmetologist License.

PROGRAM OFFERINGS

CRIMINAL JUSTICE & CORRECTION SERVICES

The *Criminal Justice & Corrective Services* program prepares students for a wide range of careers in law enforcement, crime scene analysis, forensic science, public safety, and criminal justice.

CULINARY ARTS

For those interested in careers in the food services industry, *Culinary Arts* is an excellent choice. Students are prepared for careers from entry-level quick service positions through advanced-level careers in the food and beverage industry, such as event planning, catering, and chefs at high-end restaurants.

FIRE MANAGEMENT SERVICES

Courses in the *Fire Management Services* program provide students interested in careers in public safety with comprehensive preparation in firefighter safety. This program will focus on such topics as fire behavior, building construction guidelines, safety with hazardous materials, and more.

MECHANICAL, ELECTRICAL, & PLUMBING SYSTEMS

The *Mechanical, Electrical, and Plumbing Systems* program teaches students the specialized skills and concepts required for electrical, plumbing, and HVAC careers used in the field of construction.

SUPPLY CHAIN MANAGEMENT

The *Supply Chain Management* program focuses on careers that are not only lucrative, but are essential in the planning, management, and movement of people, materials, and products by road, air, water, and railway.

TECHNOLOGY

The *Technology (S.T.E.M.)* program is an excellent fit for students who wish to pursue careers in robotics, electronics, and related engineering and technology fields.

THERAPEUTIC SERVICES

Students enrolled in the *Therapeutic Services (Health Science)* program will focus on the numerous career opportunities that are available in the therapeutic field of healthcare.
