# Extra! Extra! We are a TN Reward School!

**What does this mean?** In accordance with federal and state law, the Tennessee Department of Education names schools that are excelling as well as schools that need additional support. In 2022-23, the department named four designations: **Reward school, Comprehensive Support and Improvement school (CSI), Targeted Support and Improvement (TSI), and Additional Targeted Support and Improvement (ATSI).**

The figure above represents the designation this school received for the 2022-23 academic year.

**Why is it important?** These designations are based on multiple performance indicators and are built on the principle that the success of every student matters. School designations provide a general guideline on how schools are performing, and the level of additional support schools receive for instruction and learning.

# McKinney Vento Homeless Act

- **The McKinney-Vento Homeless Education Assistance Act** is a federal law that ensures immediate enrollment and educational stability for homeless children and youth. McKinney-Vento provides federal funding to states for the purpose of supporting district programs that serve homeless students.
- **Defining Homeless**  
The McKinney-Vento Act defines homeless children as "individuals who lack a fixed, regular, and adequate nighttime residence." The act provides examples of children who would fall under this definition:
  - Children and youth sharing housing due to loss of housing, economic hardship or a similar reason
  - Children and youth living in motels, hotels, trailer parks, or campgrounds due to lack of alternative accommodations
  - Children and youth living in emergency or transitional shelters
  - Children and youth abandoned in hospitals
  - Children and youth awaiting foster care placement
  - Children and youth whose primary nighttime residence is not ordinarily used as a regular sleeping accommodation (e.g. park benches, etc)
  - Children and youth living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations
  - Migratory children and youth living in any of the above situations

## ENROLLMENT AND TRANSPORTATION

The McKinney-Vento Act requires schools to enroll homeless children and youth immediately, even if they lack normally required documents, such as immunization records or proof of residence. The act ensures that homeless children and youth have transportation to and from their school of origin if it is in the child's or youth's best interest. (Policy No. 3115) .

If you need assistance or if you have questions regarding the MVH ACT, please feel free to contact Mrs. Mason, Mrs. Cullen, or Ms. Hodges.
