# What is IB-PYP?

---

The IB Primary Years Programme (PYP) is a curriculum framework for students in grades K-6 which focuses on the development of the ***whole child as an inquirer, both in the classroom and in the world outside.***

We are one of two public Memphis-Shelby County Schools with the IB-PYP program. Oak Forest is the other school.

We focus on two things:

## **--PYP Transdisciplinary Themes/Units**

The IB PYP curriculum framework, or Program of Inquiry, is developed within the six transdisciplinary themes of *Who We Are, How We Express Ourselves, Where We Are in Time and Place, How the World Works, How We Organize Ourselves and Sharing the Planet*. We integrate these themes/units into our Science and Social Studies curriculums. Students complete one project each quarter.

## **--IB Learner Profile Traits**

# IB Learner Profile Words

---

The IB Learner Profile represents 10 attributes valued by IB World Schools. The IB organization believes these attributes, and other like them can help individuals and groups become responsible members of local, national and global communities.
